Kuwait City, Kuwait | February 21, 2010 | Total Student: 984

Morning visit to Indian Education School

This school is a member of Bharatiya Vidya Bhavan for over 65 years. Up to grade 12 with over 1,500 students enrolled. Morning visit to American Academy for Girls.

The AAG is a private single gender school that provides an American style education while actively incorporating the cultural aspects of Kuwait. AAG empowers girls and young women by providing and promoting a supportive, nurturing environment, a challenging curriculum and academic excellence.

Morning visit to Gulf English School

This school aims to develop in each student an awareness of his or her intellectual, artistic and recreational potential and an understanding of his or her history. The school believes in the development of each student's intellectual curiosity and is committed to academic excellence.

Morning visit to American Academy for Girls

The AAG is a private single gender school that provides an American style education while actively incorporating the cultural aspects of Kuwait. AAG empowers girls and young women by providing and promoting a supportive, nurturing environment, a challenging curriculum and academic excellence.
